Subject: Response to your email addressed to Commissioner Mitchell

Dear Ms. Jarvis:

My name is Randall Dong. I am an attorney with the Public Service Commission of South Carolina. Because the Commissioners are prohibited by law from discussing a pending case, I have been asked to respond to your February 12, 2010 email addressed to Commissioner Mitchell, in which you request the following information:

1. Dates and percentages of SCE&G's last 10 rate increases; and 2. Current annual amount SCE&G spends on advertising.

I am forwarding your request to Ms. Florence Belser, an attorney with the South Carolina Office of Regulatory Staff, the state agency charged with the duty of representing the public interest before the Commission. Unlike the Public Service Commissioners and Commission Staff, the Office of Regulatory Staff is not constrained by law from discussing the case with you or providing you with the information you request, if it is available.

With kind regards, I am

B. Randall Dong, Staff Counsel
